Hi Karin

I was talking with Dave about this meeting and we think it may not be necessary to have more than a conference call. The main focus will be to discuss potential flexibility in the implementation of the TMDL. We also plan to discuss Ecology's participation in a three way meeting with EPA and the Kalispel Tribe. It doesn't seem like a face to face meeting will be necessary. Sorry for the late notice on that.

Helen

Okay. Jim and I will make plans to be there in person.

Hi Karin

It would be ideal to have an in person meeting. Some of our participants will probably be in DC so there is both video and phone linkage set up.

Hi Helen.

I just wanted to confirm that the March 17 meeting is in-person. Is that correct or were you planning on having phone-in capability? Thanks!

Karin
